

SANTA IS COMING TO TOWN!

“Santa Claus is Coming to Town”!! The City of El Monte’s Santa Float will soon be traveling throughout the streets of El Monte bringing smiles and hope to our young and young-at-heart. Santa, Mrs. Claus, and their favorite elves will be sleighing down the neighborhood streets for five nights and will be stopping for photograph with the children for six different nights. Thanks to our generous donors every child taking a picture with Santa will be able to take one copy home. **Please Note:** In the event of rain or inclement weather, some routes or stops may be cancelled or rescheduled. Please call (626) 580-2250 if you have any questions.
